

The Cross of Light Diamond™

experience the Greater beauty

Divine Presence

Reconciled

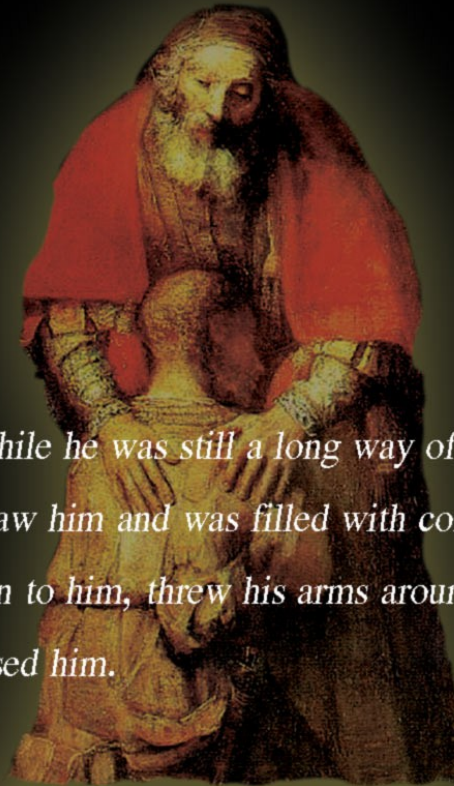

*We are a new creation because God has
reconciled us to Himself 2 Cor 5:17-19*

The soul (*tsavorite*)
surrounded by grace (*gold*)
protected by five virgins (*diamonds*)

Born again... the soul breaks through
the veil and ascends to the Father

Who runs to embrace him
(*Four baguette diamonds*)

But while he was still a long way off, his
father saw him and was filled with compas-
sion, ran to him, threw his arms around him
and kissed him.

Guarding the Heart

*Above all else, guard your heart,
for it is the wellspring of life.*

Prov. 4:23

A detailed diamond and gemstone pendant in the shape of an eye. The pendant features a large, oval-cut clear diamond for the iris, surrounded by smaller clear diamonds. A round, deep red gemstone, likely a ruby, serves as the pupil. The pendant is set in a white metal frame with a large, oval-cut clear diamond at the top. It is suspended from a chain. The background is a close-up of a lion's face, with its eyes visible, set against a dark, textured background.

*guard the heart... because it is a temple, a sacred dwelling place.
Watchfulness guards the heart. Ten maidens watched and according to
a story that Jesus told. Five of them, because of the special character
of their watching, recognized the Bridegroom when he arrived. They
were invited to the festivities.*

The Mothers Pendant

*Mother is a pearl embraced by
the Spirit, her children (yellow
sapphire) are each surrounded
by their guardian angel.*

The Trinity

The Greek Cross– symbol of sacrifice

*The eight pointed Maltese Cross–symbol
representing the Eight Beattitudes*

*The Star Cross– symbol of His divine
presence in the world.*

Vesica Piscis

The vesica piscis is a symbol of the sacred marriage. The two become one in recognizing the innate interdependence of their unique centers.

In this sense, Love is the union of the two. But since your circle is my center, and vice-versa, then our love is the place where these circles overlap, where part of my circle is also part of your circle.

So it is appropriate that the Dying God , whose greatest law was Love, has the Fish as his symbol.
