Lots of Ground to Cover

- Leviticus — *And He called*
- Numbers
- Deuteronomy — *Copy of this law or Second Law*

Question

Why do so many people who try to read through the Bible, get stuck **HERE**?

Question

Why did the Israelites start to complain?

The Lord is looking for
followers who will
passionately **honor**
and **trust** Him

Israel's constant grumbling elicits
God's wrath.

Israel evaluated God's commands
according to **their limited perspective**,
disobeying God and refusing to take
the land, **condemning** an entire
generation to death in the desert.

Moses' years of faithful obedience *did not* give him license to disobey,
even once.

Our **ability** to **live faithfully** before
the Lord is directly tied to our
constantly **remembering**
God's Word.

There are three things that have to be worked out in order for God to dwell amongst us:

1. There have to be guidelines for how you treat me and how you treat each other.
2. I need a place to stay.
3. Sin must be atoned for.
