Control

(somehow you want me)

tenth avenue north

Here I am

All my intentions

All my obsessions

I want to lay them all down

In Your hands

Only Your love is vital

Though I'm not entitled

Still You call me Your child

I've had plans  
Shattered and broken  
Things I have hoped in  
Fall through my hands  
You have plans  
To redeem and restore me  
You're behind and before me  
Oh, help me believe

God You don't need me  
But somehow You want me  
Oh, how You love me  
Somehow that frees me  
To take my hands off of my life  
And the way it should go, oh

God You don't need me  
But somehow You want me  
Oh, how You love me  
Somehow that frees me  
To open my hands up  
And give You control

You want me

Somehow You want me

The King of Heaven wants me

So this world has lost

it's grip on me

God You don't need me  
But somehow You want me  
Oh, how You love me  
Somehow that frees me  
To open my hands up  
And give You control

I give You control
