## BELIEFS

The God of muslims is Allah, Muhammad is your prophet and your book is The Quran.

There are two types of Muslims – Shi'ite and Sunni.

They believe in:

\*The life after death and the person during his life can shape their soul for better or worse.

\*Also, muslims believe there in the Day of judgment by Allah (God) until then, the deceased remain in their graves.

\*And they belief in pre-destination.

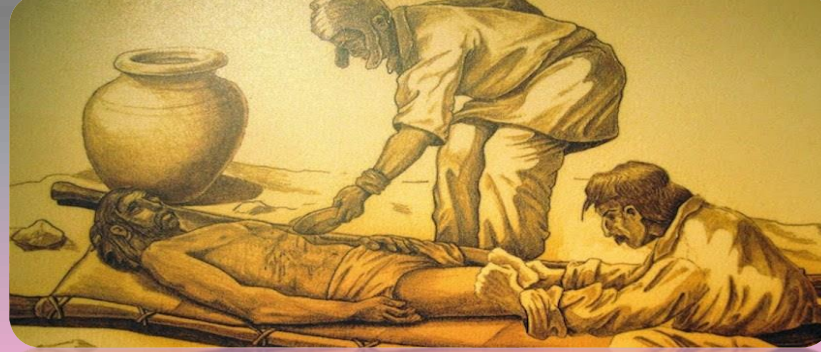

## PREPARING

- Muslims should be prepared for death at any time, which is why daily prayers are so important.

- When a person die, his face should be look to Mecca. And, family members and elders recite Muslim scripture of the Quran and pray for this person.

After

Dress code:  
\*Men → no head cover  
\*Women → Cover arms and legs

Mourning period → 40 days long →  
Family only wears black clothing

\*\*The ritual consists of the washing of the corpse, the religious ceremony (adoration and funeral honors) and the burial.

#### AT THE TIME OF death

- His eyes will be closed and the body is laid out with their arms across their chest and head facing Mecca.
- The body will be washed by family or friends. Male staff should handle male patients, female with female patients
- It will be wrapped in a White shroud and prayers will be said.

#### FUNERAL

The body will be buried within 24 hours as Muslims believe the soul leaves the body at the moment of death.  
-The funeral will take place either at the graveside and involve prayer and readings from the Koran.

#### BURIAL

- The woman can't go to the cemetery.
- A prayer will be recited before the burial.
- Excessive demonstrations of grief are not allowed.
- The grave will usually be simple.

#### AFTER

- For three days the visitors give special meal.
- Mourning period is 40 days long.
- Family only wears black clothing
- Dress code is Men → No head cover and Women → Cover arms and legs.
